

HIGHLAND 60

Face Weight: 60 oz

Total Weight: 88 oz

Pile Height: 1.125"

Yarn: Monofilament Polyethylene
S Blade Technology

Yarn Color: Lime & Forest Green

Thatch: Brown - Texturize PE

Thatch Color: Brown

Backing: Woven Polyethylene

Coating: Double Fabric PU glue

Machine Gauge: 3/8"

Stitch: 19 /10cm

Infill: recommended

Infill Ratio: 1-2 lbs per sq/ft

Drain Rate: 30" per hour

Full Roll: 15 x 100'

Warranty: 10 years

Flammability Test: Pass

Lead Test: Pass

Solar Status: UV resistant

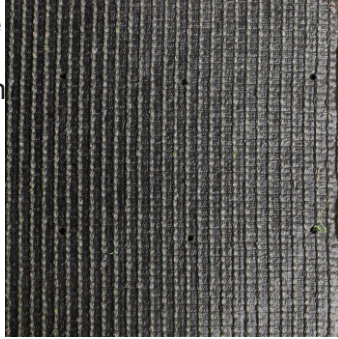

Turf Temp Rating: - 15%

Softness Rating: 2 of 5 (high density / high traffic)

Visual Rating: 5 of 5

Intended Use: Pet applications - high traffic.

"HIGHLAND 60 is our anti-microbial pet grass. Infused with Microban it's a very unique turf in that it inhibits the growth of microorganisms. When microbes come in contact with the product surface, Microban protection immediately starts to penetrate the cell wall of the microorganism and disrupts cell functions making the microorganism unable to function, grow, and reproduce. Microban protection continuously fights the growth of microbes such as odor and stain causing bacteria. This protection lasts the lifespan of the turf and makes this turf product easier to effectively clean and keeps the turf more fresh between cleanings."
